

## 12. AnyCut: ChatGPT4 response (AnyCut\_oracle\_2(84).mhtml )

Yes. The pop-up dialog shows an error message stating "Name cannot be empty," which indicates a mandatory field has not been filled out. However, according to the sequence provided, there has been no action that would lead to a name entry prompt or error message like this, suggesting a discrepancy.

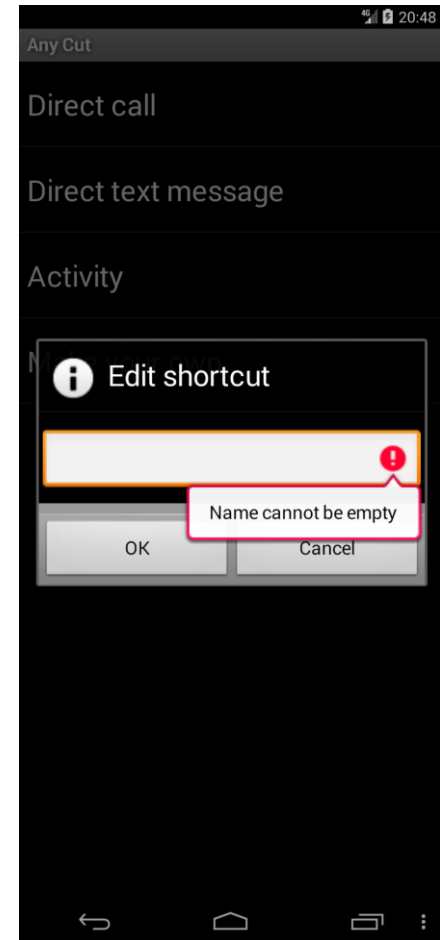

Click "New shortcut"

Click "Make your own"

Click "OK"
