

#### 14. Anymemo: ChatGPT4 response (anymemo-stable-8.3\_oracle\_1(154).mhtml )

Yes.

The text on the button should read "Search by user;" according to the sequence provided, but the screenshot displays "Search by tag" on the pop-up dialogue, indicating a mismatch in the text.

Click "Download" page Click "FlashcardExchange\n(experimental)" Click "Search by user" Pop up windows is wrongly titled

“Search by tag” rather than “Search by user”
